

Racing Line (Titanium)

In addition to increasing your power, the Akrapovič Racing system gives your scooter a distinctive deeper sound and also changes its visual appearance. Even from afar you can see and hear that this is no mass-produced system. This system was developed based on rich experience and the result is a product that suits a scooter perfectly. Installation is a snap. System is EC Type approved.

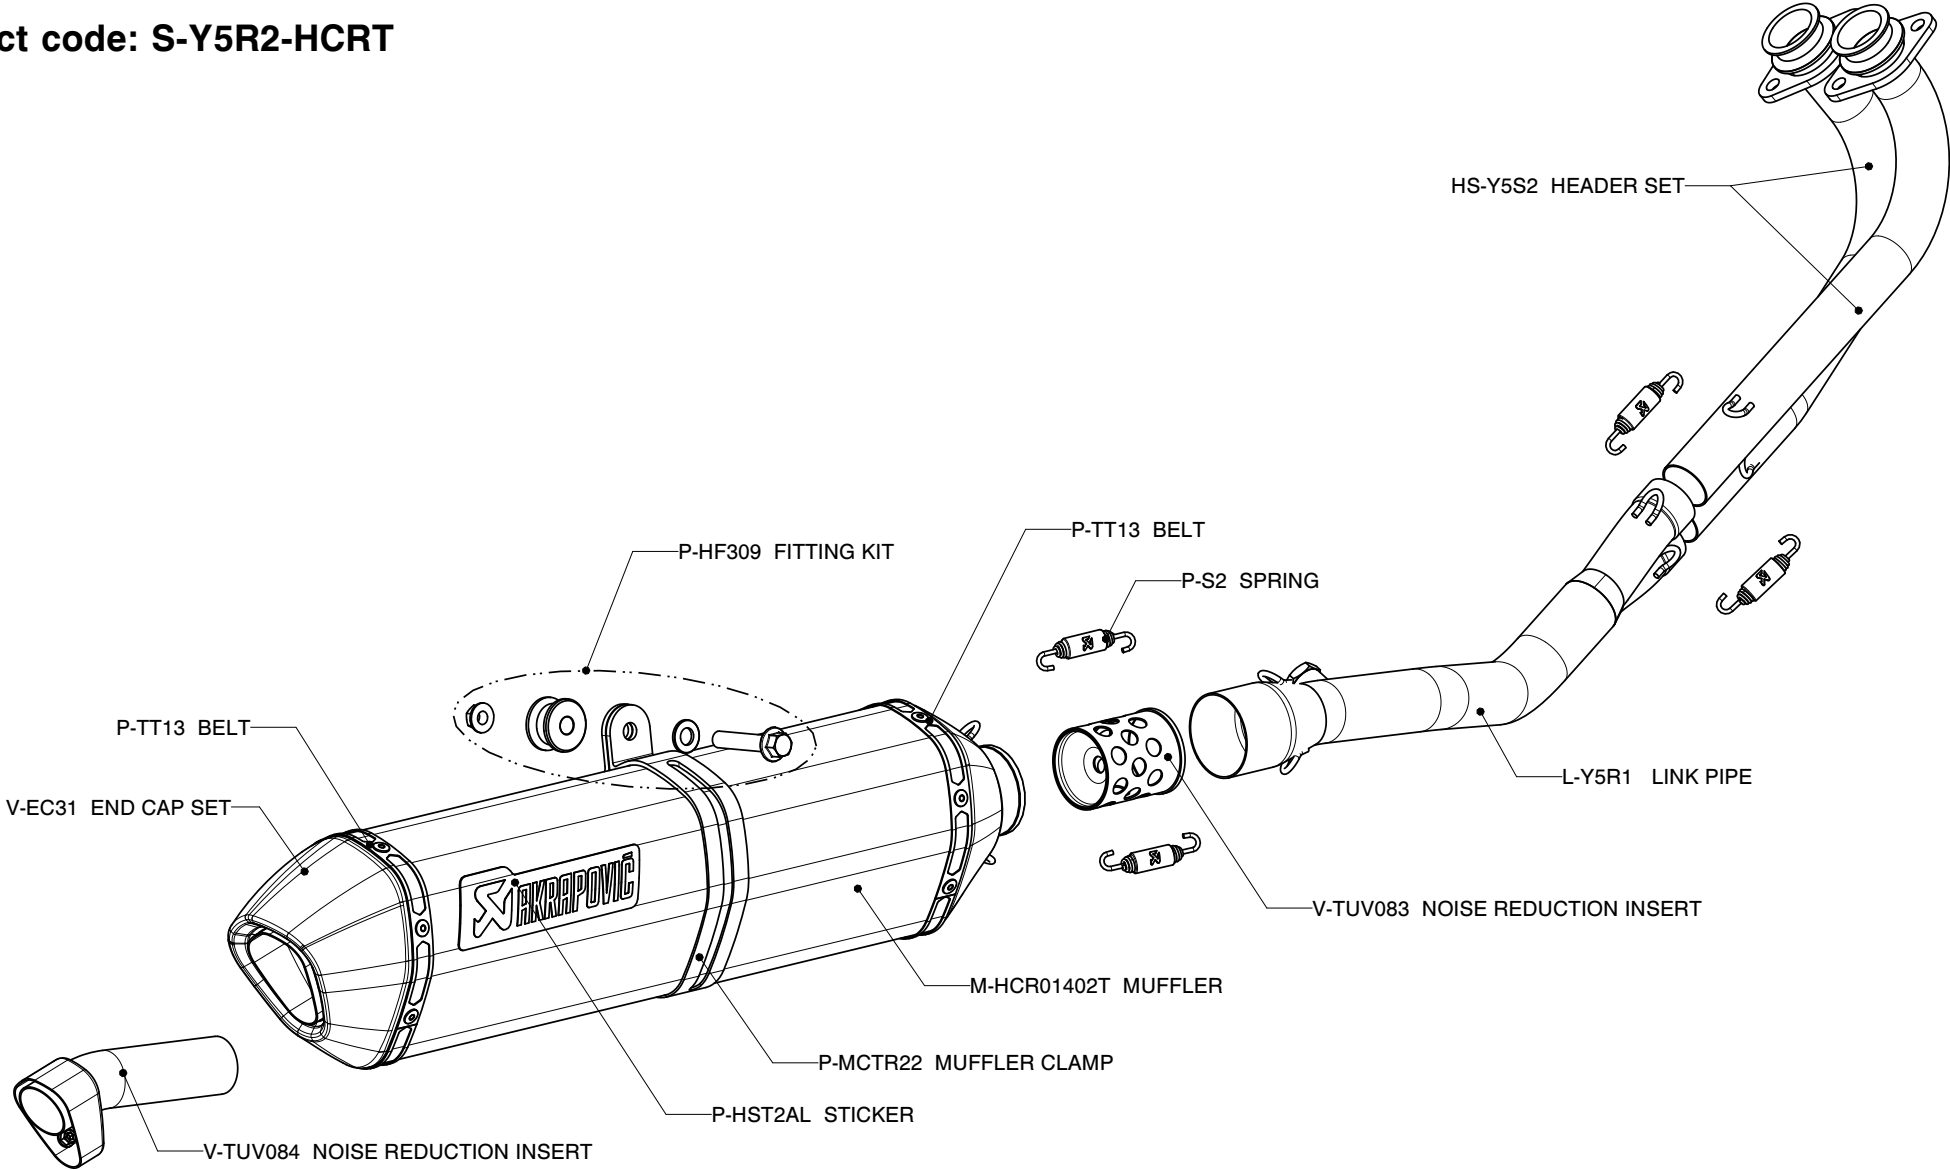

The Akrapovič Racing exhaust system increases your engine power and its torque at practically every rpm.
